- ☒
6. All items to be insured at REPLACEMENT VALUE unless specifically otherwise agreed to in writing and noted as such on the policy.
- ☒

WE HEREBY ACCEPT THE ADVICE AND RECOMMENDATIONS PROVIDED AS SET OUT ABOVE.

We are aware that the advice and recommendations provided are limited to the business's short-term insurance (commercial lines) portfolio only, and that a comprehensive analysis of the business's financial needs was not undertaken. Due to the fact that a comprehensive analysis was not undertaken, there may be limitations concerning the appropriateness of the advice, and we must therefore carefully consider whether the product selected is appropriate considering the business's circumstances and needs. Where any election above was made, we confirm that the advisor has alerted us to the clear existence of any risk as a result of such election. We understand the dangers of being underinsured and that excesses under specific policies may be aggregated in certain circumstances — should our circumstances change in any way that may require a review of our existing cover, we will inform the advisor. We have read the policy documents and the attached policy schedule, and note in particular the special conditions and applicable excesses. The advisor explained the material terms and conditions of the policy, including any excess payment terms, conditions and exclusions, or circumstances where claims will not be paid. We did not sign the application form while any part of it was incomplete, and take full responsibility for all information provided, whether provided by us or on our behalf.
